

**2021-2022 TEXAS 4-H/FFA LIVESTOCK PROGRAM BREEDING  
HEIFER DATES OF ELIGIBILITY**

The dates indicated below are the dates the Texas Youth Livestock/Texas Heifer Validation Office check when determining heifer eligibility at the time of validation and the livestock show for verification. Each date is specific to the validation season when the animal was validated. June 30<sup>th</sup> is the ownership deadline for validation that occurs in June and November 1<sup>st</sup> for animals validated in October. This document is to serve as a guide for exhibitors and CEAs/ASTs to help determine date eligibility and prevent potential issues at shows. If **ANY** date changes on the registration paper, **regardless of reason, including: print date, reprint date, reissue date, etc.**, the Texas Youth Livestock Validation Office needs to be contacted immediately. If **ANY** of these dates (or other information on the papers) change during the feeding period, proper action and documentation can be taken to prevent **DISQUALIFICATION**. Please email [dottie.goebel@ag.tamu.edu](mailto:dottie.goebel@ag.tamu.edu) to resolve. Examples of registration papers with their respective dates circled can be found at this link: <https://drive.google.com/drive/folders/138xzLnAUSW9j2flZ9onGPAdBGJr84W4I?usp=sharing>

\*Refer to specific rules and guidelines for respective major livestock shows
