

TEXAS 4-H PROJECT LEADER POSITION DESCRIPTION

SWINE

Title: Swine Project Leader for _____ 4-H Club in _____ County

4-H Project Leader Advisor:

County Extension Agent - 4-H and Youth Development, or Agent serving as County 4-H Coordinator

Purpose of the 4-H Project Leader:

Provide structured learning experiences, personal guidance as well as counseling in Swine project opportunities for 4-H members enrolled in the Swine project.

Benefits of serving as a 4-H Project Leader:

- Gain and/or enhance knowledge and skills in the Swine subject matter area.
- Be a significant part of the educational and developmental process for youth.
- Foster the development and growth of successful youth-adult partnerships.
- See the impact the 4-H and Youth Development Program has in the county.
- Experience personal growth from serving as a project leader.

Responsibilities of the 4-H Project Leader:

- Provide structured learning experiences for youth enrolled in the Swine project.
- Request training and project materials through the club manager or county Extension agent.
- Become acquainted with the project and activities related to the Swine project. The project experiences are listed in the Texas 4-H Clover, found online at: texas4-h.tamu.edu/publications/
- Obtain a list of 4-H members in the club/county that are interested in the Swine project.
- Develop an annual project plan based on:
 - Project educational objectives
 - Level of members' experiences
 - Members' specific interests
 - Resources available
- Conduct project meetings and activities.
- Assist members with setting goals and keeping records of achievements in project.
- Provide opportunities for 4-H members to participate in other 4-H activities and events.
- Involve members as junior and teen leaders.
- Encourage parent interest, involvement and support of 4-H activities.
- Coordinate project group activities with club manager and other leaders of the club.
- Provide recognition for members and supporting parents/adults.

Qualifications and Special Skills:

- Reside in the county.
- Registered as a direct volunteer for the county 4-H program, by completing a Texas 4-H Volunteer Application for the current 4-H year.
- Passed a criminal background check through the Youth Protection Standards Program within the past three years.
- Participate in Volunteer Orientation.
- Value the development of positive life skills in youth.
- Value diversity among youth and other adults involved in the 4-H program, creating and maintaining a 4-H project experience where all children feel welcome and opportunities are made available.

For more information about this project, or about 4-H in general, contact your local County Extension Office or visit the Texas 4-H and Youth Development website at: <http://texas4-h.tamu.edu>

Educational programs of the Texas A&M AgriLife Extension Service are open to all people without regard to race, color, sex, disability, religion, age, or national origin. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating
