

Instructions to Access Quality Counts Numbers

Quality Counts Rosters can be accessed by County Extension Agents or Ag Science Teachers by following the step-by-step instructions below. To log in to the system, you will need an access code.

Helpful Hint: Your access code is the code utilized to enter heifer and steer validation information in to texaslivestockvalidation.com and for completing Houston Livestock Show entries.

If you are a County Extension Agent and do not know your access code, please contact Dottie Goebel at Dottie.Goebel@ag.tamu.edu.

If you are an Ag Science Teacher and do not know your access code, please contact Tammy Glascock at tammy@texasffa.org.

Step 1: Access Texas Livestock Validation website: <http://www.texaslivestockvalidation.com/>

The screenshot shows the Texas Livestock Validation website. At the top is the logo with a green clover and a yellow seal, followed by the text "TEXAS LIVESTOCK VALIDATION". Below this is a "County / Chapter Login" section. It includes a dropdown menu for "Select your County/Chapter Name" with a "Select One" option, and a text input field for "Access Code". A "Login" button is positioned below the access code field. A note states: "If you do not see your County / Chapter listed, please use the contact information to have yours added." At the bottom, there are two columns of contact information. The left column is for "STEER AND HEIFER CONTACT INFORMATION" and the right column is for "LAMB AND GOAT CONTACT INFORMATION".
